

Deborah Richmond, LMHC Clinical Supervisor

Deb Richmond joined E-Nini-Hassee in December 1991. A Licensed Mental Health Counselor and recipient of the Social Worker of the Year Award from the National Association of Social Workers/Florida Chapter, Deb currently oversees E-Nini-Hassee's Social and Clinical Services Department.

As the Director of Clinical and Social Services, she is responsible for overseeing the therapeutic treatment plans and progress of E-Nini-Hassee students and their families and also acts as program liaison with the many organizations nationwide that refer youth to E-Nini-Hassee.

Deborah received her Master's degree in counseling education from Clemson University and her Bachelor's degree from the University of Michigan. She is certified in Reality Therapy/Choice Theory by the William Glasser Institute and has specialized expertise and training in family therapy, gender specific issues related to female adolescents, the 8 to Great Curriculum, as well as play therapy, human trafficking and the treatment of sexually abused children.
